Creative Output create the SPECTACULAR from design through to production with

all the attention to detail you would expect. Our unique skillset of wedding design & production, which combine contemporary design philosophy with classic five star hospitality high standards and settings makes you the client, feel at ease and confident that your wedding will be personal to you. Our background in event, design & production means we are perfectly placed to offer the very best of venue transformation services.

Our weddings, events and VIP parties are well known for their breath-taking deco and awe-inspiring results are instantly recognisable in style. Utilising the very best in lighting, floral, furniture, tableware, staging and entertainment, our creative designers fuse these elements together into a harmonious design which shouts originality and luxury

WE CREATE,
YOU
CELEBRATE

A lush green wall of plants and flowers, including various types of ferns and large silver disco balls, is the backdrop for a green tufted sofa. The scene is decorated with numerous flowers, including white and yellow roses, and more silver disco balls. The overall aesthetic is vibrant and celebratory.
